**URGENT REQUEST FROM PASTOR TOM:** "Recently an unsupervised 4-year-old somehow unlocked or found an unsecured door and fell off our second floor front porch. The child was taken to the hospital to be checked for injuries and, praise God, no serious injury was found. There was some bruising.

"In order to prevent what could be a very serious accident, we need to install iron railings on the porches. This morning we have a welder coming to measure and design railings and provide us with an estimate. This is a very urgent concern and I am seeking assistance to install these railings ASAP. If we can have donations upon our return, we can accomplish this quickly. Anyone who would like to assist can send their gift to: Safe Place Outreach, c/o John Wah, 1724 Acorn Drive, Reading, PA 19608."
